

Transit Week 2018

Transit Challenge Pledge

I pledge to participate in the San Francisco Transit Riders Transit Challenge to demonstrate my commitment to robust and efficient public transportation in San Francisco.

Regularly riding Muni, BART and Caltrain will allow me to stay in touch with its importance in our city and how it positively and negatively impacts my constituents. It is also a great opportunity to demonstrate to the hundreds of thousands of current and would-be riders, as well as the rest of the country, that San Francisco is a Transit First city.

By participating in the Transit Challenge, I pledge to:

- Ride public transit at least once a day from Monday, September 24 to Friday, September 28
- Let my constituents know when I am riding transit by tweeting using the hashtag #WeRideSF
- Participate in a "Ride-Along" with my constituents, taking transit from my district to the kick-off event Monday morning
- Attend Transit Week Kick-Off on Monday, September 24 at 9:30am on the steps of City Hall
- ***Bonus*** Ride a different transit line each day, and inform us how we can improve the trip.

You are also cordially invited to attend our Rider First Awards Friday September 28th, where we will award the most creative and/or practical suggestion!
